

Budget Policy

PEDERNALES ELECTRIC COOPERATIVE, INC.

1. Purpose:

1.1. The Budget is a financial document projecting revenues, expenses and capital improvement expenditures. It is also a tool that is used to help monitor and assure financial integrity. The Budget serves as an operational guideline and helps to link financial planning with day-to-day operations. The Budget is approved annually by the Board of Directors (Board). This Budget Policy establishes the framework and process for developing, adopting, comparing planned to actual spend, and amending the Budget as may be necessary, from time to time.

2. Scope:

2.1. The Budget establishes the maximum Board authorized funding levels for operating expenses and capital expenditures. On occasion, PEC management may determine that it is necessary, in the pursuit of company goals and objectives, to request the Board consider an amendment to the Budget.

3. Definitions:

3.1. Budget Amendment – A Board approved change to the Budget.

3.2. Capital Improvement Plan (CIP) – Outlines and describes planned expenditures for Electric Plant in Service. Expenditures are budgeted by CIP project. The CIP projects are then grouped or categorized.

3.3. Department – a functional division that has measurable activities or attributes reporting to the following including - Chief Executive Officer (“CEO”), General Counsel, Chief Financial Officer (“CFO”), Chief Operations Officer (“COO”), and Chief Information Officer (“CIO”), Executive Vice President, Public Affairs (“EVP”).

3.4. Electric Plant in Service – Includes the original cost of assets owned and used for electric utility operations that has an expected useful life of more than one year. This includes intangible plant, production plant, transmission plant, distribution plant, regional transmission and market operation plant, and general plant (GP).

3.5. IT Framework - The CIP budget category assigned to costs for hardware, software, & electronics (except tools for Operations) for the purpose of acquiring and maintaining technology assets for the efficiency of the Cooperative. Examples include: life cycle management of computers, fiber cabling for infrastructure, and telephone technology.

3.6. General Plant (GP) – Is a component of Electric Plant in Service and includes land and land rights; structures and improvements; office furniture and equipment; transportation equipment; stores equipment; tools and shop and garage equipment; laboratory equipment; power operated equipment; communication equipment; miscellaneous equipment; and other tangible property.

3.7. Major CIP Variance – An unfavorable fiscal year-end CIP Budget Category variance that exceeds the Board allowance without a Budget Amendment. The Board allowance is established as an unfavorable variance of \$100,000 or 5.0%

of the CIP Budget Category, whichever is **greater**. The listing of CIP Budget Category Codes is provided in Appendix A.

- 3.8.** Major Operating Variance – An unfavorable fiscal year-end Operating Budget expense variance that exceeds the Board allowance without a Budget Amendment. The Board allowance is established as an unfavorable variance at the Federal Energy Regulatory Commission (“FERC”) account group level of \$100,000 or 5.0%, whichever is **greater**. The listing of FERC account groups and three (3) digit FERC account numbers are provided in Appendix B.
- 3.9.** Management – Consists of executive level, vice president level, director level, and manager level positions. May include other positions or Supervisors depending on the context.
- 3.10.** Minor Variance – An unfavorable fiscal year-end variance that does not rise to the level of either a Major CIP Variance or a Major Operating Variance.
- 3.11.** Operating Budget – Outlines and describes forecasted revenues and planned expenses related to providing service to member-owners. Revenues and expenses are budgeted by activities at the three-digit FERC account level. (See example attached as Appendix B.)
- 3.12.** Required Amendment – A Budget Amendment that will prevent a Major Variance.
- 3.13.** RUS - The United States Rural Utilities Service (RUS). RUS administers programs and provides infrastructure or infrastructure improvements to rural communities. These include water/waste water treatment, electric power, and telecommunication services. RUS provides loan programs to rural utility service cooperatives to expand economic opportunities and improve the quality of life for rural residents.
- 3.14.** Strategic Plan – Consists of PEC’s vision, mission and values statements; key corporate metrics; and Board adopted goals and Management initiatives as defined in PEC’s Board approved strategic planning documents.
- 3.15.** Utility Plant (UP) – Includes Electric Plant in Service except GP; property held under a capital lease; electric plant purchased or sold; experimental electric plant unclassified; electric plant leased to others; electric plant held for future use; completed construction not classified; construction work in progress; accumulated provision for depreciation; and retirement work in progress.

4. Policy Statement and Implementation:

- 4.1.** Budget Preparation and Adoption.
 - 4.1.1. On an annual basis, PEC staff (Budget Team) coordinates the preparation of PEC’s Budget with Management.
 - 4.1.2. A draft Budget is prepared and reviewed by Management for completeness, accuracy, alignment with the strategic planning documents, and consistency with PEC goals and objectives, including cost controls.
 - 4.1.3. After incorporating adjustments based on Management’s review, a draft Budget is presented to the Board for review and consideration.
 - 4.1.4. Should PEC become an RUS borrower, all budgeting processes will comply with the RUS regulations.

Budget Policy

4.2. Unused Funds –

- 4.2.1. Approved CIP that is not used, is not eligible to be spent elsewhere. Unused CIP Budget cannot be transferred from one CIP budget category to another CIP budget category nor from one CIP project to another CIP project even within the same CIP budget category without Board approval.
- 4.2.2. Unused Operating Budget cannot be transferred from one FERC account group to another FERC account group without approval from the Executive over the division.

4.3. Budget Amendments

- 4.3.1. Revenues are budgeted, but revenue variances will not require a Budget Amendment.
- 4.3.2. Purchased power and property taxes are budgeted, but variances will not require a Budget Amendment.
- 4.3.3. Budgeting for amendments to line extensions - The CIP includes a budget category for new line extensions which are designated in PEC's Tariff and Business Rules for the construction cost of lines to serve consumers. Since the actual amounts necessary are directly related to variable member growth, and set by PEC Tariff and Business Rules, variances do not require a Budget Amendment.

4.4. Variances:

- 4.4.1. Reporting of Variances is determined by whether a Minor Variance or Major Operating Variance or Major CIP Variance has occurred.

5. Procedure Responsibilities

- 5.1. The Budget should be maintained throughout the year at the level of spend that is authorized within each Department.
- 5.2. Each Department's Management is responsible for complying with financial policies and ensuring expenditures are properly coded.
- 5.3. Each Department's Management is responsible for providing a written explanation of Minor Variances to the Budget Team, monthly. This applies to both the CIP and Operating Budget.
- 5.4. Each Department's Management is responsible for obtaining a Budget Amendment before obligating PEC to an expenditure that will create a Major CIP Variance or a Major Operating Variance. Major CIP and Operating Variances will need to be presented to the Board by the Executive.
- 5.5. The CEO has the authority, pursuant to the Authority and Responsibilities Policy, to authorize emergency and other time critical and essential, business expenditures that create a Major Variance and/or are not in the Budget. Authorizations of this nature will be reported to the Board by the CEO.

6. Enforcement

- 6.1. The CEO shall enforce this Policy. Executives, Vice Presidents, and other members of Management shall ensure adherence with this Policy. Violations of this Policy may result in disciplinary or corrective action, up to and including, termination.
